

## **BOW NUMBER AND EVENT SPONSOR STICKER TO APPLY VINYL BOW NUMBERS AND SPONSORS STICKERS ON HULL:**

1 – Make Sure hull is clean!!! (Clean and let dry)

The numbers and stickers are made to be removable, so you need to wipe the hull with a solvent to remove any waxes. If a Teflon wax has been used on the boat repeat this step until tape sticks easily to hull.

2 – The bow numbers shall be displayed on both sides of the bow in accordance with the diagram. The sponsor's sticker shall be aft of the bow numbers.

3 – Remove wax paper backing from numbers and stickers by peeling away the top or corner of the backing paper.

4- Position, with masking tape if necessary, in the appropriate place, and remove the rest of the backing paper. A light spray of water will assist in sliding larger stickers into the correct position.

5 – Squeegee stickers to remove all air bubbles and water. Work from the center outwards towards edges, rub thoroughly.

\*\* A Squeegee can be a credit card, plastic scraper, or any similar smooth piece of plastic.

6 – Peel any masking tape or outer sheet off boat pulling slowly making sure that you are pulling the tape back against itself, and not out away from the boat.

7 – Rub with soft towel.

8 - Please note the Sailing Instructions make it your responsibility to ensure your bow numbers remain in place and are visible.
